Welcome to our practice and thank you for choosing StoneRidge Dental. We are always excited to see new smiles coming in our door! At StoneRidge Dental we feel that every patient deserves personal and professional dental care. Most of our new clients find us by invitation and we will work hard to earn your invitations.

In order to provide you with the best possible care, Dr. Saydyk will first complete a comprehensive oral examination. This includes a complete review of your medical and dental history, all necessary radiographs and intraoral images, study models if needed, oral cancer screening, periodontal health evaluation, and examination of your teeth. Following this exam, Dr. Saydyk will discuss his findings with you, develop a treatment plan that you are comfortable with, and schedule your appointments for your treatment and for your hygiene visit.

We have enclosed all the necessary paperwork for you to bring to your first appointment. In addition please review our financial policy included with this letter. Payment is expected at the time of the first visit. If you are covered by insurance, we will expect payment of your portion at the time of service unless prior arrangements are made. We have payment plans available through CareCredit. We would be happy to answer any questions about other financial arrangements.

StoneRidge Dental is located on the NE corner of Williams Field Road (Chandler Blvd.) and Lindsay. We are 100 yards east of Walgreen's. From I-60: take Val Vista south to Williams Field and turn right. Make a right turn into the complex just before the Walgreen's on Lindsay.

We very much appreciate your confidence in us and look forward to meeting with you!

Nathan John Saydyk, DDS
